BEAUTY

Services

HAND & FEET

gel overlay

R240

.Overlays are similar to a gel polish in as much as they only cover your natural nail. They don't add length.

toe overlay

R200

a strengthening barriers ontop of your toe nail finished off with a colour of your choosing

fullcover tips

R380

provide full coverage to the natural nail plate and are attached using glue, gel or acrylic

acrylic

R300

a technique used to strengthen and enhance natural nails. It involves applying a combination of liquid monomer and powder polymer directly onto the natural nail plate

Rubber base

R240

It's a base coat that is flexible and bends together with the nail. Rubber Base is designed to give extra strength to flaky, brittle, thin or splitting nails." Rubber base gel is both a treatment for your nails and more resilient to chipping and breaking.

Deluxe pedicure

R400

Spa pedicure in all its glory! It includes exfoliation of the lower leg and foot, nail and cuticle care, and a moisturizing massage cream with shea butter. Finishing it off with a beaut colour of your choosing
